FINANCES

1. The Committee will determine each year the amount of dues and whether or not the Troop will pay for dues. Dues and registration will be paid by the Troop as finances permit, as determined by the Committee. In those years when Scouts and leaders are responsible for paying dues and registration, such amounts shall be paid to the Treasurer by the first Troop meeting in October.
2. Monies collected during fund-raisers are the responsibility of the Scouts' parents. Such monies are to be turned in promptly to the applicable patrol leader or the Troop Treasurer.

Such certified letter shall state that failure to remit such monies or make a satisfactory schedule of payments shall result in legal action by the Troop to collect it.
5. A recipient of a certified letter requesting funds due the Troop shall have a fifteen (15) day period from the date of the letter to respond to the same.
6. Failure to respond to such a request shall result in legal action to collect the funds due the Troop.
7. Scouts who commit to events with fees are responsible to pay those fees, unless the adult leadership associated with the activity can cancel the Scout's participation early enough to avoid a financial burden to the Troop.
8. If the Committee determines that the Troop finances are sufficiently sound, the Committee may, at its discretion, authorize the use of Troop funds to pay for the cost of attending summer camp for adult leaders. Eligible adult leaders are those who will be in attendance at summer camp for at least three days and who have been active leaders in at least 75% of Troop activities during the preceding June to May time period. In cases where there are multiple adult leaders from the same household, the 75% requirement for one leader will be satisfied through the combined participation of all leaders from that household. More than one leader from the same household may qualify for Troop sponsorship of the cost of summer camp if they individually satisfy the requirements stated above.
9. The Troop Treasurer shall maintain appropriate records of the Troop's funds, revenues and expenses. The Treasurer shall reconcile the Troop's financial accounts monthly and shall make monthly reports to the Committee. The second offense for hitting will invoke immediate expulsion from the Troop. Hitting will not be tolerated. For offenses other than hitting, the first offense will result in discussion of the inappropriate behavior with at least two leaders (one being the Scoutmaster if available) with the Scout immediately following the offense or as soon as practical. The second offense will result in the Scout leaving the meeting or Troop activity for the duration of the activity and require a meeting between the Scout and appropriate members of the Committee as chosen by the Committee Chair and Scoutmaster. The third offense will result in expulsion from the Troop.

10. Registration / Training fees for Scout Training (Junior Leader Outdoor Training, University of Scouting, etc.) that will enhance leadership in the development of the Scout, will be paid by the Troop up to the cost of \$15 per session. Junior Leader Training (JLT) or Twin Arrow is the exception to this rule. JLT (Twin Arrow) will be funded at the rate of \$50 for the week of training. Based on a Scout's individual needs, special requests for financial aid can be honored based on a Committee motion and vote for approval.
